[BNA 01 – Nephilim](#)

Science is introduced to humanity too early, too quickly, as a group of angels fall in love with humans and have children together. In the middle of all the chaos, a man gets a job offer from God that he can't refuse.

[BNA 02 – Forbidden Garden Party](#)

The angels find Eden floating isolated in space. Seeing God isn't around, they host an extravagant party with the host of heaven and hell. What could possibly go wrong?

[BNA 03 – Work Was Hell Today](#)

A malfunction in the Vortex of Events causes Enoch to be thrown blindly into a past memory. A messenger from God informs Enoch that he's been fired. Where else is there to go but Hell?
